

NIKE LEAD GLASSES VALIANT

FRAME INFORMATION

The Nike Valiant radiation glasses feature high-quality, distortion-free SF-6 Schott glass radiation-reducing lenses with 0.75mm Pb lead equivalency protection. The radiation safety glasses Nike Valiant have clear CE Certified Lens and weigh 75g. These radiation glasses Nike Valiant are also prescription available. Made of high-quality plastic, their square wrap-around frame is durable and lightweight. Plus, these Nike lead glasses feature a single bridge and textured temple bars. In addition, these prescription Nike radiation glasses are available in two color variations: matte black/white, and matte wolf gray/university red.
